O R D E R

On March 26, 2004, BellSouth Telecommunications, Inc. ("BellSouth") filed a motion for expedited treatment to extend to April 16, 2005 a current promotion called the BellSouth Wireless Answers Bundle, which is scheduled to end April 16, 2004. This promotion offers participating residential customers a discount off the monthly rate for their Cingular wireless service. BellSouth states that the rate and cost analysis for the promotion remains unchanged. Through oversight, this request for an extended promotion period was not filed in time to afford the standard review.

There being good cause shown and the Commission being otherwise sufficiently advised, IT IS THEREFORE ORDERED that BellSouth's motion to extend this promotion to April 16, 2005 is approved.

Done at Frankfort, Kentucky, this 16<sup>th</sup> day of April, 2004.
