BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE FILING OF SEDALIA WATER DISTRICT CASE NO. TO ADD A WATER SHORTAGE RESPONSE PLAN) 2004-00183

ORDER

On May 4, 2004, Sedalia Water District ("Sedalia") filed a proposed water shortage response plan for inclusion in its filed tariff. On May 24, 2004, the Commission initiated this proceeding to investigate the reasonableness of that plan. On July 30, 2004, in response to an inquiry from Commission Staff, Sedalia submitted a revised plan. The Commission, having reviewed the record and being sufficiently advised, finds that Sedalia's revised water shortage response plan is reasonable and should be approved.

IT IS THEREFORE ORDERED that Sedalia's revised water shortage response plan is approved.

Done at Frankfort, Kentucky, this 24th day of August, 2004.
