

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER)
ADJUSTMENT OF NORTH)
SHELBY WATER COMPANY) CASE NO. 2004-00169

O R D E R

On July 30, 2004, North Shelby Water Company (“North Shelby”) applied for approval to adjust its rates pursuant to the purchased water adjustment procedure. KRS 278.012 and 807 KAR 5:068.

The Commission entered an Order which approved the purchased water adjustment rates effective August 24, 2004. On December 15, 2004, North Shelby filed a request to amend the Order to reflect the effective date of June 1, 2004. North Shelby is correct in that its filings conformed with the purchased water adjustment procedure and that its request and tariff were filed within 20 days as prescribed by KRS 278.012 and 807 KAR 5:068. North Shelby has been charging the adjusted rates since June 1, 2004 as authorized by law. The Commission finds that the Order should be amended to read that North Shelby is authorized to increase the water rates to its customers effective June 1, 2004.

IT IS THEREFORE ORDERED that ordering paragraph 2 of the Order of August 24, 2004 is amended to read:

The purchased water adjustment of \$0.09 per 1,000 gallons and the rates in Appendix A, attached hereto and incorporated herein, are fair, just, and reasonable and are approved for services rendered on and after June 1, 2004.

Done at Frankfort, Kentucky, this 7th day of February, 2005.
