AND A GAS COST INCENTIVE MECHANISM)

O R D E R

This matter arises upon the motion of MxEnergy Inc. ("MX") for full intervention. It appears to the Commission that such intervention is likely to present issues and develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. The Commission also recognizes that a procedural schedule was established in this proceeding by Order dated December 8, 2004. The Commission, being otherwise sufficiently advised, finds that MX should be granted full rights of a party in this proceeding and should abide by the existing procedural schedule.

IT IS HEREBY ORDERED that:

1. The motion of MX to intervene is granted, and MX shall abide by the existing procedural schedule.
2. MX shall be entitled to the full rights of a party and shall be served with the Commission's Orders and with filed testimony, exhibits, pleadings, correspondence, and all other documents submitted by parties after the date of this Order.

3. Should MX file documents of any kind with the Commission in the course of these proceedings, it shall also serve a copy of said documents on all other parties of record.

Done at Frankfort, Kentucky, this 25th day of January, 2005.
