

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF NEXTEL WIP LEASE CORP.)	
AND HEMPHILL CORPORATION FOR ISSUANCE)	
OF A CERTIFICATE OF PUBLIC CONVENIENCE)	
AND NECESSITY TO CONSTRUCT A WIRELESS)	
COMMUNICATIONS FACILITY IN THE LOUISVILLE-)	CASE NO.
LEXINGTON-EVANSVILLE MAJOR TRADING)	2005-00005
AREA, JAMESTOWN, RUSSELL COUNTY,)	
KENTUCKY)	
)	
[JAMESTOWN, KY], SITE NO. 1409)	

O R D E R

On February 16, 2005, Nextel WIP Lease Corp. and Hemphill Corporation (“Applicant”) filed an application seeking a Certificate of Public Convenience and Necessity to construct and operate a wireless telecommunications facility. The proposed facility consists of a self-supporting antenna tower not to exceed 349 feet in height, with attached antenna, to be located at 1778 South Highway 92, Jamestown, Russell County, Kentucky. The coordinates for the proposed facility are North Latitude 36° 57’ 37.33” by West Longitude 85° 2’ 49.72”.

The Applicant has provided information regarding the structure of the tower, safety measures, and antenna design criteria for the proposed facility. Based upon the application, the design of the tower and foundation conforms to applicable nationally recognized building standards, and a Licensed Professional Engineer has certified the plans.

Pursuant to 807 KAR 5:063, the Applicant has notified the County Judge/Executive of the proposed construction. The Applicant has filed applications with the Federal Aviation Administration and the Kentucky Airport Zoning Commission seeking approval for the construction and operation of the proposed facility. Both applications have been approved.

The Applicant has filed evidence of the appropriate notices provided pursuant to 807 KAR 5:063. The notices solicited any comments and informed the recipients of their right to request intervention. On March 2, 2005, the Commission received notification of objection to the placement of the proposed tower from James F. Glahn. By letter dated March 29, 2005, the Commission responded to Mr. Glahn and advised him that, if he wished to request full intervention in this proceeding, he should do so within 10 days of the date of the letter. To date, the Commission has received no further correspondence from Mr. Glahn.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that the Applicant has demonstrated that a facility is necessary to provide adequate utility service and that, therefore, a Certificate of Public Convenience and Necessity to construct the proposed facility should be granted.

Pursuant to KRS 278.280, the Commission is required to determine proper practices to be observed when it finds, upon complaint or on its own motion, that the facilities of any utility subject to its jurisdiction are unreasonable, unsafe, improper, or insufficient. To assist the Commission in its efforts to comply with this mandate, the Applicant should notify the Commission if it does not use this antenna tower to provide service in the manner set out in its application and this Order. Upon receipt of such

notice, the Commission may, on its own motion, institute proceedings to consider the proper practices, including removal of the unused antenna tower, which should be observed by the Applicant.

IT IS THEREFORE ORDERED that:

1. The Applicant is granted a Certificate of Public Convenience and Necessity to construct a wireless telecommunications facility. The proposed facility consists of a self-supporting antenna tower not to exceed 349 feet in height, with attached antenna, and is to be located at 1778 South Highway 92, Jamestown, Russell County, Kentucky. The coordinates for the proposed facility are North Latitude 36° 57' 37.33" by West Longitude 85° 2' 49.72".

2. The Applicant shall immediately notify the Commission in writing, if, after the antenna tower is built and utility service is commenced, the tower is not used for a period of 3 months in the manner authorized by this Order.

Done at Frankfort, Kentucky, this 28th day of April, 2005.

By the Commission
