

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

BIG SANDY RURAL ELECTRIC COOPERATIVE)
CORPORATION TO ADD A NEW LIGHTING RATE)

CASE NO. 2005-00041

O R D E R

On January 21, 2005, Big Sandy Rural Electric Cooperative ("Big Sandy") filed an application requesting Commission approval to add a new lighting rate to its existing YL-1 tariff for a 400 watt mercury vapor flood light. Big Sandy's application included both cost support information and direct testimony which supported the derivation of the new lighting rate.

Big Sandy proposes a monthly charge of \$13.24 for the 400 watt mercury vapor flood light. Big Sandy further proposes an effective date of March 1, 2005 for the new rate.

Based on the application and being otherwise sufficiently advised, the Commission finds that Big Sandy's proposed new lighting rate for a 400 watt flood light is based upon a proper cost analysis, is reasonable, and should be approved.

IT IS THEREFORE ORDERED that:

1. The rate for a 400 watt flood light in Appendix A is approved for service rendered by Big Sandy on and after March 1, 2005.
2. Big Sandy shall file, within 20 days of the date of this Order, its revised tariff setting out the rate approved herein showing its date of issue and that it was issued by authority of this Order.

Done at Frankfort, Kentucky, this 24th day of February, 2005.
