

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF NAMI RESOURCES)	
COMPANY, LLC TO INCREASE ITS RATES)	CASE NO.
AND CHARGES FOR PROVIDING FARM TAP)	2005-00116
SERVICE PURSUANT TO KRS 278.485)	

O R D E R

On April 5, 2005, Nami Resources Company, LLC ("Nami") filed an application with the Commission requesting approval of increased rates for gas service provided pursuant to KRS 278.485. On April 15, 2005, Commission Staff ("Staff") issued a data request for which Nami requested, and was granted, an extension until May 20, 2005 in which to file its response. After Nami failed to respond, by letter dated June 22, 2005, Staff extended the time for Nami's response to July 5, 2005. When Nami failed to respond by mid-July, Staff informally inquired about the status of its response. Subsequently, on August 1, 2005, Nami requested in writing that its application for an increase in rates be set aside until it could provide better documentation of the time spent by its field personnel on the service provided its 160 farm tap customers.

The Commission finds that Nami's letter should be treated as a motion to withdraw its application and that the motion should be granted. Such withdrawal will not prejudice Nami's ability to submit a new application. It should file a new application and give notice of its application to its customers when it is able to adequately support such application.

IT IS THEREFORE ORDERED that:

1. Nami's motion to withdraw its application in this case is granted.
2. This case is closed and will be removed from the Commission's docket.

Done at Frankfort, Kentucky, this 11th day of August, 2005.

By the Commission
