

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF)
KENTUCKY UTILITIES COMPANY)
FOR THE CONSTRUCTION OF)
TRANSMISSION FACILITIES IN)
FRANKLIN, WOODFORD AND)
ANDERSON COUNTIES, KENTUCKY)

CASE NO. 2005-00154

O R D E R

On May 11, 2005, Kentucky Utilities Company filed an application for approval of the construction of a transmission line in Franklin, Woodford, and Anderson counties, Kentucky. Pursuant to KRS 278.020(8), "The commission shall issue its decision no later than ninety (90) days after the application is filed, unless the commission extends this period for good cause, to one hundred twenty (120) days."

The Commission finds that such an extension is warranted in this case. The Commission has employed the services of a consulting firm to assess the need for a transmission line and issue its report, and all parties should have time to review it. Moreover, the line has already generated significant local interest. For these reasons, the Commission finds that the time period in which it must issue a decision in this case should be extended to 120 days.

Based on this extended time period, the Commission issues a preliminary procedural schedule, attached to this Order as Appendix A. Additional dates will be announced in subsequent Orders.

IT IS THEREFORE ORDERED that:

1. The time period in which the Commission must issue its decision in this case is extended to 120 days.

2. The attached procedural schedule shall apply.

Done at Frankfort, Kentucky, this 23rd day of May, 2005.
