FINANCE IMPROVEMENT PROJECTS)	
AND TO IMPLEMENT SURCHARGES TO)	
ITS EXISTING RATES PURSUANT TO)	
KRS 278.020 AND 278.300)	

ORDER

Bullock Pen Water District (“Bullock Pen”) has applied to the Commission for a Certificate of Public Convenience and Necessity to construct and finance two waterworks improvement projects and for authority to implement a surcharge in order to pay the debt service on the indebtedness necessary to finance the proposed projects. In its filing, Bullock Pen requests permission to deviate from certain filing requirements of Administrative Regulation 807 KAR 5:001, Section 6, which requires the submission of a detailed financial exhibit for the period ending not more than 90 days prior to the date of the application.

In support of its request for permission to deviate from this requirement, Bullock Pen states that its most recent financial exhibits are for the 12 months ended December 31, 2004 and that those exhibits are contained in its 2004 Annual Report on file with the Commission. Bullock Pen further states that no extraordinary events have occurred that would distort the year-end statement. Additionally, the time required to compile more current financial data would jeopardize the favorable bids that it currently holds.

Administrative Regulation 807 KAR 5:001, Section 14, provides the Commission with the authority to permit deviations from its regulations for good cause shown. Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that the information contained in Bullock Pen's application is sufficient for our review of the application.

Finding that good cause exists, the Commission HEREBY ORDERS that Bullock Pen's request for permission to deviate from the filing requirements of Administrative Regulation 807 KAR 5:001, Section 6, is granted.

Done at Frankfort, Kentucky, this 1st day of July, 2005.

By the Commission
