O R D E R

On March 31, 2000, the Commission issued an Order requiring Citipower, LLC (“Citipower”) to make certain accounting adjustments and to take corrective actions regarding its recordkeeping. In order to monitor Citipower’s compliance with these requirements, the Commission ordered Citipower to file quarterly reports 45 days after the end of each calendar quarter, beginning with the period ending June 30, 2000, that included a comparative balance sheet, a detailed income statement, and a statement of cash flows.

On May 8, 2006, Citipower requested that the Commission relieve Citipower of its obligation to file quarterly financial reports with the Commission. Citipower stated in support of its motion that its reorganization approved in Case No. 2004-00444 makes the filing of these reports unnecessary.

The Commission, having reviewed the motion and being otherwise sufficiently advised, finds that the accounting and recordkeeping adjustments the Commission required have been addressed or are no longer required due to the reorganization.

Therefore, the Commission finds that the quarterly filings are no longer necessary and that Citipower's motion should be granted.

IT IS THEREFORE ORDERED that Citipower's request to be relieved of its obligation to file the quarterly financial reports as required by our March 31, 2000 Order is granted.

Done at Frankfort, Kentucky, this 16<sup>th</sup> day of June, 2006.
