

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

GENERAL ADJUSTMENT OF ELECTRIC RATES)	CASE NO.
OF KENTUCKY POWER COMPANY)	2005-00341

FOURTH DATA REQUEST OF COMMISSION STAFF
TO KENTUCKY POWER COMPANY

Kentucky Power Company ("Kentucky Power"), pursuant to 807 KAR 5:001, is requested to file with the Commission the original and 8 copies of the following information, with a copy to all parties of record. The information requested herein is due on or before January 23, 2006. Each copy of the data requested should be placed in a bound volume with each item tabbed. When a number of sheets are required for an item, each sheet should be appropriately indexed, for example, Item 1(a), Sheet 2 of 6. Include with each response the name of the witness who will be responsible for responding to questions relating to the information provided. Careful attention should be given to copied material to ensure that it is legible. Where information requested herein has been provided, in the format requested herein, reference may be made to the specific location of said information in responding to this information request. When applicable, the information requested herein should be provided for total company operations and jurisdictional operations, separately.

1. Refer to the response to the Commission Staff's Third Data Request dated December 12, 2005, Item 39. Kentucky Power was asked if it was proposing that the environmental surcharge billed to customers should be determined by the formula "CRR

– MEBC” rather than the current approach of “CRR – BRR.” Kentucky Power responded by saying this was its initial proposal, but upon reflection it “believes it is appropriate to continue with the current approach of CRR-BRR once the BRR is updated to reflect the base period revenue requirement for the test year in this case.” In light of this response, provide Kentucky Power’s current proposed adjustment concerning its environmental surcharge. Include all workpapers, calculations, assumptions, and other supporting documentation used to determine the proposed adjustment.

2. For each of the respondents to data requests listed below, provide the individual’s current job title, educational background, and work experience. If individuals, other than those listed below or who have filed direct testimony, submit data responses during the proceeding, provide the same information. All respondents to data requests are expected to be present at the public hearing scheduled to begin on February 7, 2006, unless their presence is waived by mutual agreement.

- a. Sandra S. Bennett.
- b. Hugh McCoy.
- c. Sandra Keller.
- d. Jeffrey Bartsch.
