ASSOCIATION, INC. TO ADD A WATER	)	2005-00448
SHORTAGE RESPONSE PLAN	)	

O R D E R

On October 20, 2005, Levee Road Water Association, Inc. ("Levee Road") filed a proposed water shortage response plan for inclusion in its filed tariff. On November 10, 2005, the Commission initiated this proceeding to investigate the reasonableness of that plan. On April 5, 2006, in response to an inquiry from Commission Staff, Levee Road submitted a revised page to the plan. The Commission, having reviewed the record and being sufficiently advised, finds that Levee Road's water shortage response plan, as revised by the April 5, 2006 filing, is reasonable and should be approved.

IT IS THEREFORE ORDERED that Levee Road's revised water shortage response plan is approved.

Done at Frankfort, Kentucky, this 25<sup>th</sup> day of April, 2006.
