On December 27, 2005, the Commission received a motion to intervene in these proceedings, signed by approximately 25 persons ("Petitioners"). The Petitioners, whose names and addresses are listed in the attached Appendix A, state that they are property owners or interested parties who would be affected by the construction of the proposed transmission line. It appears to the Commission that such interventions are likely to present issues and develop facts that will assist the Commission in fully considering the matters without unduly complicating or disrupting the proceedings, and this Commission being otherwise sufficiently advised,

IT IS HEREBY ORDERED that:

1. Each Petitioner listed in Appendix A to this Order is granted intervention in these proceedings.
2. Each Petitioner shall be entitled to the full rights of a party and shall be served with the Commission's Orders and with filed testimony, exhibits, pleadings, correspondence, and all other documents submitted by parties after the date of this Order.
3. Should any Petitioner file documents of any kind with the Commission in the course of these proceedings, said Petitioner shall also serve a copy of said documents on all other parties of record.
