

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

TARIFF FILING OF CHRISTIAN COUNTY WATER)
DISTRICT SETTING POLICY FOR WATER MAIN) CASE NO. 2006-00013
EXTENSIONS)

ORDER

On December 8, 2005, Christian County Water District ("Christian District") notified the Commission of proposed revisions in its tariff regarding the extension of water mains that would become effective on January 3, 2006. Christian District's proposed notice fails to comply with KRS 278.180(1) that requires a utility to provide the Commission with 30 days' prior notice of any rate revision. As Christian District has failed to comply with KRS 278.180(1), the proposed revisions did not become effective on January 3, 2006.

Having reviewed the proposed revisions and finding that, pursuant to KRS 278.190, additional proceedings are necessary to determine the reasonableness and lawfulness of the proposed revisions, IT IS HEREBY ORDERED that:

1. This proceeding is established to investigate the reasonableness and lawfulness of Christian District's proposed tariff revisions.
2. Christian District shall not implement the proposed revisions until providing the appropriate notice to the Commission that KRS 278.180(1) requires.

Done at Frankfort, Kentucky, this 13th day of January, 2006.

By the Commission
