O R D E R

On April 28, 2006, Kentucky Utilities Company (“KU”) filed a motion requesting that, pursuant to 807 KAR 5:001, Section 5(5), the Commission incorporate, by reference only, the record of Case No. 2004-00426<sup>1</sup> into the record of this pending financing case. KU states that although it does not assign specific financing to individual capital projects, the record in Case No. 2004-00426 provides detailed and useful information on one of the numerous capital projects described generally in the pending application as justifying the need for the proposed financing.

Based on the motion and being otherwise sufficiently advised, the Commission finds that KU has shown good cause to incorporate by reference the record of Case No. 2004-00426.

IT IS THEREFORE ORDERED that KU’s motion is granted, and the record of Case No. 2004-00426 is incorporated herein by reference only.
