Pursuant to 807 KAR 5:001, Commission Staff requests that Karl David Bradley, Jr. file the original and six copies of the following information within 10 days of the date of this request, with a copy to all parties of record. When a number of sheets are required for an item, each sheet should be appropriately indexed, for example, Item 1(a), Sheet 2 of 6. Include with each response the name of the witness who will be responsible for responding to questions relating to the information provided. Careful attention should be given to copied material to ensure its legibility.

2. Have you made an attempt to survey the customers that desire water service in the area in question? If so, fully explain your attempts and provide a list of potential customers indicating if they are recreational or permanent residences.
3. Are you or any other potential customers willing to contribute to the cost of completing a project to extend water service?
4. Identify any source of funding you are aware of for this project.
5. Do you believe the city of Frenchburg was reasonably diligent in attempting to obtain funding? Explain why.
6. You state in your complaint, paragraph no. 7, that Frenchburg Water Department is less economically competitive as a potential supplier. Explain the information on which you base this belief.
7. Do you agree that the requested service is currently outside Bath County's territory?
8. Explain what efforts you have made to obtain service other than filing this complaint with the Commission.
