SECOND DATA REQUEST OF COMMISSION STAFF TO  
KENTUCKY UTILITIES COMPANY

Kentucky Utilities Company ("KU"), pursuant to Administrative Regulation 807 KAR 5:001, is to file with the Commission the original and 8 copies of the following information, with a copy to all parties of record. The information requested herein is due within 10 days of the date of this request. Each copy of the data requested should be placed in a bound volume with each item tabbed. When a number of sheets are required for an item, each sheet should be appropriately indexed, for example, Item 1(a), Sheet 2 of 6. Include with each response the name of the person who will be responsible for responding to questions relating to the information provided. Careful attention should be given to copied material to ensure that it is legible. Where information herein has been previously provided, in the format requested herein, reference may be made to the specific location of said information in responding to this information request.

1. Pursuant to KRS 278.018(6), describe with specificity how the allocation from KU to Blue Grass Energy Cooperative Corporation (“Blue Grass”) of lots 6 and 7 in the Brannon Crossings development near Nicholasville, Kentucky and lots 1-88 in the residential development known as The Cottages of Alton Station in Anderson County, Kentucky, as identified in Article 1.02 of your proposed Settlement Agreement (“New Blue Grass Territory”), would promote the purposes of KRS 278.016 and provide adequate and reasonable service to all areas and consumers affected thereby.

2. Provide the names, addresses, and telephone numbers of New Blue Grass Territory property owners.

3. Will any existing customer be reassigned to a different electric supplier as a result of the proposed territorial boundary changes? If so, identify with specificity such customers.

4. Do any of the New Blue Grass Territory property owners have residences, homes, or other buildings constructed on said property? If so, identify with specificity such property owners.

5. Have any of the New Blue Grass Territory property owners consented to or been consulted or notified of the possible change in utility provider? If so, describe with specificity such discussions, consent, consultation, or notice given, including the applicable dates.

6. Describe with specificity the reasons that KU and Blue Grass previously made territorial boundary changes involving certain of the New Blue Grass Territory in Commission Case No. 2006-00021 and are now again requesting to make similar territorial boundary changes in the instant case.
