O R D E R

On December 4, 2006, the Commission received a complaint from Robert D. Peters against Western Rockcastle County Water Association (“Western Rockcastle”) seeking a remedy for certain water pressure problems alleged to have occurred during the past approximately 20 years, partial reimbursement for water payments made during that period, and related damages. The complaint included, *inter alia*, a supporting petition signed by numerous other water customers.

On December 12, 2006, the Commission ordered Western Rockcastle to satisfy or answer the complaint within 10 days of the service of the Order. The Order was served on Western Rockcastle on or before December 15, 2006. To date, Western Rockcastle has failed to satisfy or answer the complaint.

The Commission, on its own motion, HEREBY ORDERS that Western Rockcastle shall submit the following to the Commission, within 10 days of the date of this Order:

1. A written response to the Complainant's complaint.
2. A written response stating why its failure to comply with the Commission's Order of December 12, 2006 should not be considered as an admission of all allegations contained in the complaint, thereby constituting grounds for the entry of an Order granting the Complainant's requested relief in a manner consistent with the Commission's jurisdiction.
3. A written response stating why it should not be subject to the penalties prescribed in KRS 278.990(1).

Done at Frankfort, Kentucky, this 24th day of January, 2007.
