BellSouth Telecommunications, Inc. ("BellSouth") filed a formal complaint with the Commission against Brandenburg Telephone Company ("Brandenburg"). As BellSouth frames the complaint, it seeks resolution of two billing disputes. The first involves alleged overpayments made by BellSouth to Brandenburg for terminating area calling service ("ACS") traffic. The second involves alleged overpayments made by BellSouth to Brandenburg for commercial mobile radio service ("CMRS") minutes of use delivered to Brandenburg. On January 10, 2007, Brandenburg filed its answer. In order to develop the record in this case, the Commission finds that it is necessary to establish a procedural schedule.

IT IS THEREFORE ORDERED that:

1. On or before February 1, 2007, BellSouth shall file its reply to Brandenburg's answer.

2. On or before February 9, 2007, the parties may file their data requests and serve a copy upon all parties of record.

3. On or before March 2, 2007, the parties shall respond to all data requests.

4. On March 15, 2007, the parties shall appear at the Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky, for an informal conference beginning at 1:30 p.m., Eastern Standard Time, in Conference Room 1 to discuss all pending matters.

5. On or before April 2, 2007, the parties shall notify the Commission if they request a formal hearing. If no hearing is requested by this date, the matter shall be submitted to the Commission for decision based on the existing record.

6. In the event either party requests a hearing, the Commission will issue an Order scheduling a hearing and addressing the remaining procedural events.

Done at Frankfort, Kentucky, this 24<sup>th</sup> day of January, 2007.
