O R D E R

Pursuant to Administrative Regulation 807 KAR 5:056, the Commission, on August 3, 2007, established this case to review and evaluate the operation of the fuel adjustment clause ("FAC") of Shelby Energy Cooperative, Inc. ("Shelby") for the 6-month period that ended on April 30, 2007.

As part of this review, Shelby complied with the Commission's Order to submit certain information concerning its compliance with Administrative Regulation 807 KAR 5:056. The Commission further ordered that a public hearing be held in this case but cancelled it when, after publication of notice, no interested party advised the Commission of its intention to attend.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds no evidence that Shelby has improperly calculated or applied its FAC charge.

IT IS THEREFORE ORDERED that the charges and credits applied by Shelby through the FAC for the period November 1, 2006 through April 30, 2007 are approved.

Done at Frankfort, Kentucky, this 18<sup>th</sup> day of January, 2008.
