O R D E R

Louisville Gas and Electric Company and Kentucky Utilities Company (“Joint Movants”) have jointly moved the Commission to amend the second ordering paragraph of the March 31, 2008 final Order. Ordering paragraph 2 of the final Order states:

With the exception of the incentive addressed above, LG&E and KU’s revised DSM Tariff and the revised DSM surcharge factors are approved effective as of the date of this Order.

The Joint Movants state that “[i]t was not practically feasible for them to implement the approved tariffs and surcharge factors on the same date the Final Order approving was entered . . . .”<sup>1</sup> The Joint Movants propose that their revised DSM tariff and revised DSM surcharge factors be approved effective as of May 2, 2008. This proposed change, according to the Joint Movants, would harmonize the effective date of the revised DSM tariffs and surcharge factors with the next billing cycle that will follow the filing of those tariffs on or before April 20, 2008.
