On December 6, 2007, Commission Staff issued a data request to Defendant, Magoffin County Water District (“Magoffin District”). Request No. 1 sought the addresses of Magoffin District customers who lived within the Salyersville city limits. In response to this request, Magoffin District filed a copy of a portion of its “Accounts Master File List,” which contains, among other things, customers’ physical addresses, billing addresses, and social security numbers. The Commission treats social security numbers as sensitive information and believes that such information should be afforded confidential treatment.

The Commission, on its own motion, HEREBY ORDERS that Magoffin District’s original response to Commission Staff’s second data request shall be placed in a confidential file and that a redacted copy of the response shall be placed in the public case file.

Done at Frankfort, Kentucky, this 9th day of January, 2008.
