O R D E R

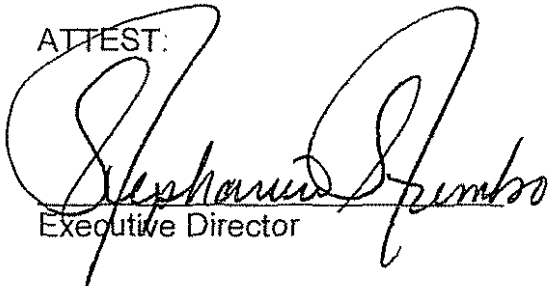

On April 4, 2008, South Central Telcom, LLC ("South Central") filed a formal complaint against Windstream Kentucky East, Inc. ("Windstream") citing concerns about the accuracy of Windstream's billing of South Central and Windstream's threats to terminate service in connection with the alleged inaccurate bills.

Representatives of the parties met with Commission Staff at an informal conference on July 17, 2008. At the conclusion of the conference, the parties agreed to provide the Commission with reports of the status of their negotiations. For several months, both parties progressed in the negotiations and, on November 6, 2008, they filed with the Commission a Joint Motion to Dismiss Complaint. In the motion, the parties state that the complaint has been resolved and they request that the complaint be dismissed with prejudice. The Commission finds that good cause exists to grant the parties' motion.

IT IS THEREFORE ORDERED that this case is dismissed with prejudice and is removed from the Commission's docket.

Done at Frankfort, Kentucky, this 14th day of November, 2008.
