SUPPLEMENTAL DATA REQUEST OF COMMISSION STAFF
TO KENTUCKY POWER COMPANY

Kentucky Utilities Company ("KU") and Louisville Gas and Electric Company ("LG&E") (collectively, the "Companies"), pursuant to 807 KAR 5:001, are to file with the Commission the original and 5 copies of the following information, with a copy to all parties of record. The information requested herein is due within 10 days from the date of this request. Responses to requests for information shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and

accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

The Companies shall make timely amendment to any prior responses if they obtain information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which the Companies fail or refuse to furnish all or part of the requested information, they shall provide a written explanation of the specific grounds for the Companies' failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations.

1. During the October 7, 2008 hearing, in response to questions regarding KU's forced outages, witness Robert Conroy stated that the Companies follow the Generating Availability Data System ("GADS") definitions issued by the North American Electric Reliability Council when classifying outages as scheduled or forced.¹

a. Provide the definition of a scheduled and forced outage according to GADS.

b. Did the Companies classify outages in accordance with the definitions provided in response to Item 1(a) above during the period under review? If
