ORDER

On October 31, 2008, Cumberland Valley Electric, Inc. ("Cumberland Valley") submitted an application to pass-through any wholesale rate adjustment granted to its wholesale supplier, East Kentucky Power Cooperative, Inc. ("EKPC"), in Case No. 2008-00409.<sup>1</sup> Cumberland Valley submitted its application pursuant to the authority of KRS 278.455(2) and proposed that its new rates become effective December 1, 2008.

KRS 278.455(2) provides that the rates of a distribution cooperative shall become effective on the same date as those of its wholesale supplier. On November 26, 2008, the Commission suspended EKPC's proposed rates up to and including May 31, 2009. Consequently, Cumberland Valley's proposed rates may not become effective until the Commission renders a decision on EKPC's proposed rates or until EKPC's proposed rates become effective as a matter of law.
