O R D E R

Pursuant to 807 KAR 5:056, the Commission, on August 22, 2008, established this case to review and evaluate the operation of the fuel adjustment clause ("FAC") of Jackson Energy Cooperative ("Jackson") for the 6-month period that ended on April 30, 2008.

As part of this review, Jackson complied with the Commission's Order to submit certain information concerning *its compliance with 807 KAR 5:056*. The Commission further ordered that a public hearing be held in this case but cancelled it when, after publication of notice, no interested party advised the Commission of its intention to attend.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds no evidence that Jackson has improperly calculated or applied its FAC charge.

IT IS THEREFORE ORDERED that the charges and credits applied by Jackson through the FAC for the period November 1, 2007 through April 30, 2008 are approved.

Done at Frankfort, Kentucky, this 7th day of January, 2009.
