O R D E R

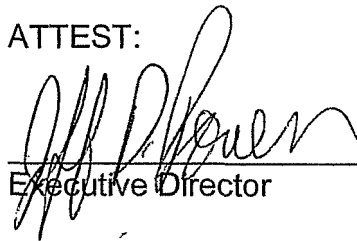

On January 23, 2009, the Commission entered an Order that required Big Sandy Rural Electric Cooperative Corporation ("Big Sandy"), *inter alia*, to provide information to supplement Big Sandy's application by February 23, 2009. On February 25, 2009, Big Sandy requested additional time to file that information.¹ It stated that the utility's resources had to be diverted from normal activities due to the recent ice storm that created numerous service problems.

Finding good cause, the Commission HEREBY ORDERS that Big Sandy shall file information listed in Appendix A of the Commission's January 23, 2009 Order no later than March 6, 2009.

Done at Frankfort, Kentucky, this 2nd day of March, 2009.

¹ In the future, Big Sandy should file requests for extensions prior to the Commission's deadline.
