O R D E R

On January 23, 2009, the Commission entered an Order that required Inter-County Energy Cooperative Corporation ("Inter-County"), *inter alia*, to provide information to supplement Inter-County's application by February 23, 2009. On February 13, 2009, Inter-County requested an additional 14 days to file that information. It stated that the utility's employee resources had to be diverted from normal activities due to the recent ice storm that created numerous service problems. Finding good cause, the Commission HEREBY ORDERS that Inter-County shall file information listed in Appendix A of the Commission's January 23, 2009 Order no later than March 9, 2009.

Done at Frankfort, Kentucky, this 26th day of February, 2009.
