O R D E R

On September 3, 2009, South Kentucky Rural Electric Cooperative Corporation ("South Kentucky") filed a motion requesting an extension of time through September 21, 2009 to file a response to the Commission's Order of August 19, 2009, which required the parties to advise the Commission, within 10 days of the date of that Order, whether they desire a hearing in this matter. South Kentucky states that its management desires to consult with its board of directors before making a decision. The next board meeting following the date of the Commission's Order is scheduled for September 16, 2009.

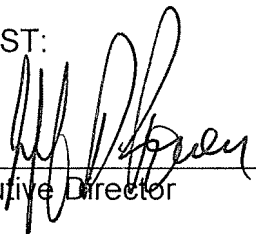

Based on the motion and being otherwise sufficiently advised, the Commission finds good cause to grant the requested extension of time.

IT IS THEREFORE ORDERED that South Kentucky's motion is granted and it shall file its response to the Commission's August 19, 2009 Order on or before September 21, 2009.
