

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

2009 INTEGRATED RESOURCE PLAN OF)	CASE NO.
EAST KENTUCKY POWER COOPERATIVE,)	2009-00106
INC.)	

O R D E R

On March 9, 2009, East Kentucky Power Cooperative, Inc. ("East Kentucky Power") filed a motion requesting a six-month extension of time, from March 31, 2009 to September 30, 2009, to file its 2009 Integrated Resource Plan ("IRP"). The motion listed a number of reasons to support the request for a six-month extension of time.

In response to the motion and to further develop the evidentiary record, a Commission Staff data request was issued on March 27, 2009. One of the questions contained in that data request referred to the Commission's IRP regulation, 807 KAR 5:058, Section 2, and noted that pursuant thereto, the due date for East Kentucky Power's 2009 IRP was April 21, 2009, not March 31, 2009. In response to this data request, East Kentucky Power, by counsel, filed a letter stating that it should be able to timely file its 2009 IRP by April 21, 2009.

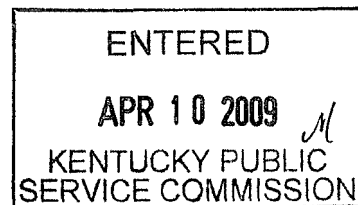

Based on the motion and being otherwise sufficiently advised, the Commission finds that East Kentucky Power's stated intent to file its 2009 IRP by the April 21, 2009 due date renders its motion for an extension of time moot. Consequently, East Kentucky Power need not respond to the Commission Staff data request, since the

questions set forth therein related to the motion for an extension of time which is now moot. However, should East Kentucky Power find it necessary to file a renewed motion for an extension of time to file its 2009 IRP, that motion should include information that is responsive to Item Nos. 4 and 5 of the Commission Staff data request.

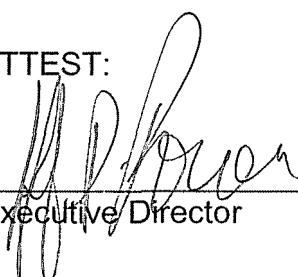

IT IS THEREFORE ORDERED that:

1. East Kentucky Power's motion for an extension of time is denied as moot.
2. East Kentucky Power is relieved of any obligation to respond to the Commission Staff's March 27, 2009 data request unless East Kentucky Power files a renewed motion for an extension of time, in which case the motion shall respond to Item Nos. 4 and 5 of that data request.

By the Commission
