

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PETITION OF NEXUS COMMUNICATIONS,	)	
INC. FOR ADDITIONAL DESIGNATION AS AN	)	CASE NO.
ELIGIBLE TELECOMMUNICATIONS CARRIER	)	2009-00110
IN KENTUCKY	)	

COMMISSION STAFF'S SECOND DATA REQUEST  
TO NEXUS COMMUNICATIONS, INC.

Nexus Communications, Inc. ("Nexus"), pursuant to 807 KAR 5:001, is to file with the Commission the original and five copies of the following information, with a copy to each party of record. The information requested herein is due on or before December 30, 2009. Responses to requests for information shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Nexus shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which

Nexus fails to furnish all or part of the requested information, Nexus shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations.

1. a. Provide a spreadsheet outlining the names of the incumbent local exchange carriers and the exchanges of those incumbent carriers for which Nexus seeks to receive Eligible Telecommunications Carrier (“ETC”) certification for its wireless services.

b. Provide a spreadsheet outlining the names of the underlying wireless carriers and identifying the exchanges for the service territories for which Nexus seeks to receive ETC certification for its wireless services.

2. Identify the study areas of any rural telephone companies which Nexus is planning to partially serve after receiving ETC certification for its wireless services.

3. Has Nexus received approval from the Federal Communications Commission (“FCC”) to disaggregate rural service areas in Kentucky?

a. If yes, identify the rural service area exchanges for which Nexus received FCC disaggregation approval.

b. If yes, provide the citation to the order(s) outlining the approval(s).

c. If Nexus has received FCC disaggregation approval for rural service area exchanges within other states for wireless services, provide the citations to those FCC orders outlining the approvals.

d. If other states have redefined the study areas of rural telephone companies specifically due to Nexus's ETC petitions for wireless services within those states, provide copies of the orders by the state commissions wherein those determinations were rendered.
