O R D E R

On October 16, 2009, CDH Preserve, LLC, Dennis Cunningham, Cathy Cunningham, Violet Monroe, and Mary Jent (collectively "Petitioners") filed a petition to intervene in the instant matter. On November 4, 2009, Petitioners filed a motion requesting a formal hearing and, on November 9, 2009, propounded data requests to Kentucky Utilities Company ("KU"). On November 13, 2009, the Commission issued an order denying Petitioners' request to intervene.

Having reviewed the record and being otherwise sufficiently advised, the Commission finds that Petitioners do not possess the requisite standing to either request a hearing or serve data requests on KU. Petitioners are not parties to this case, since their request for intervention was denied.

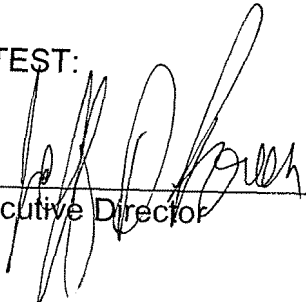

IT IS THEREFORE ORDERED that:

1. Petitioners' motion requesting a hearing is denied as moot.
2. KU is not obligated to respond to the data requests issued by Petitioners.
