COMMISSION STAFF'S INFORMATION REQUEST
TO NORTHEAST WOODFORD WATER DISTRICT

Northeast Woodford Water District ("Woodford District"), pursuant to 807 KAR 5:001, is to file with the Commission the original and 10 copies of the following information, with a copy to all parties of record. The information requested herein is due 10 days from the date of this Order. Responses to requests for information shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

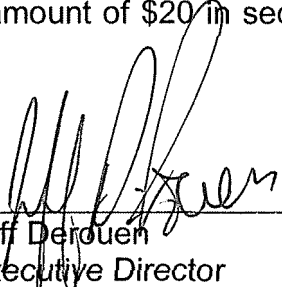

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Woodford District shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to

which Woodford District fails or refuses to furnish all or part of the requested information, it shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations.

1. Provide invoices or pricing tables from vendors for the materials listed in the application for each meter size.
2. Refer to the cost justification sheets provided in the application for each meter size.
 - a. Explain in detail how the estimated total hours were developed for each section.
 - b. Explain in detail how the hourly rates were developed for each section.
3. Provide in detail an explanation for the amount of \$20 in section H of the Cost Justification sheets.
