Based on the evidence of record, the Commission finds that further investigation of this matter is warranted. In order to pursue this investigation, the attached procedural schedule, which allows the parties and Commission Staff to issue data requests and provides the parties opportunity to request a formal hearing, should be followed.

The Commission, on its own motion, HEREBY ORDERS that:

1. The procedural schedule set forth in the Appendix attached hereto and incorporated herein shall be followed.

2. a. Responses to requests for information shall be appropriately bound, tabbed and indexed and shall include the name of the witness responsible for responding to the questions related to the information provided, with copies to all parties of record and six copies to the Commission.

b. Each response shall be under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency,

be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

c. Any party shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any request to which a party fails or refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

e. Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations.

3. The Commission does not look favorably upon motions for continuance. Consequently, motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.

4. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.
