O R D E R

On November 24, 2009, Kentucky Utilities Company ("KU") filed with the Commission its application seeking a Certificate of Public Convenience and Necessity to qualify it to bid on a franchise for electric service offered by the city of Williamsburg, Kentucky. Under the provisions of KRS 278.020(4), no utility may apply for a franchise from any governmental agency until it has obtained a Certificate of Public Convenience and Necessity from this Commission, based on our finding that there is a need and demand for the service sought to be rendered.

In light of the ordinance of the city of Williamsburg creating an electric distribution franchise, the Commission determines that there is evidence of a need and demand for electric service in the above-mentioned city. Since the Commission's authority in such matters is limited by statute to finding only whether there is a need and demand for the service sought to be rendered, no finding or determination is made as to the qualifications of the bidder, the validity of any of the provisions of the franchises offered by said city, or the manner in which any franchise fee is to be treated for rate purposes.

IT IS THEREFORE ORDERED that:

1. KU is granted a Certificate of Public Convenience and Necessity that authorizes it to bid on a franchise for electric service offered by Williamsburg, Kentucky.
2. KU, if it becomes the successful bidder, shall file with this Commission two copies of the franchise agreement.
3. This Order shall not be construed as granting a Certificate of Public Convenience and Necessity to construct utility facilities in said city.

RE: Application of Kentucky Utilities Company for a Certificate of Public Convenience and Necessity Authorizing KU to Bid on a Franchise Established by the City of Williamsburg

Dear Mr. DeRouen:

2009-004163

Enclosed please find an original and 10 copies of an Application for a Certificate of Public Convenience and Necessity ("CCN"), to enable Kentucky Utilities Company (the "Company") to apply for an electric franchise with the City of Williamsburg (the "City") pursuant to KRS 278.020(4). In a regular session held on November 6, 2009, the City Council of Williamsburg, Kentucky passed Ordinance No. 09-006, which directed the advertising for bids and selling of an electric franchise in the City. We respectfully ask for an order granting the CCN by December 3, 2009 to enable KU to bid on the franchise on the sale date of December 7, 2009.

For many years, the Company has been the owner of a franchise granted by the City to erect facilities for providing electric service to the City and the inhabitants thereof. The franchise to be obtained will replace the previous franchise.

If you have any questions, please do not hesitate to contact me.

Very truly yours,

Allyson K. Sturgeon
