

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF HARDIN COUNTY WATER)	CASE NO.
DISTRICT NO. 1 TO MODIFY WATER UTILITY)	2009-00113
TARIFF OF MASTER METERS FOR BILLING)	
MULTI-UNIT RESIDENTIAL PROPERTIES)	

O R D E R

On March 16, 2009, Hardin County Water District No. 1 (“Hardin District”) applied for approval to modify its tariff provisions related to multi-unit residential properties. The Commission suspended the operation of the proposed tariff pursuant to KRS 278.190. On December 22, 2009, Hardin District filed amended proposed tariff language, and the parties filed a joint motion to accept the proposed tariff provisions. The proposed tariff has an effective date of March 1, 2010.

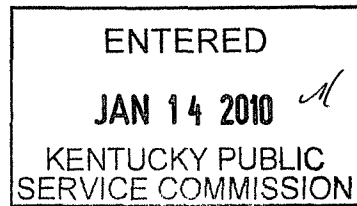

Administrative Regulation 807 KAR 5:001, Section 3(5), permits the Commission to allow any application to be amended. The amended tariff is considered a new rate, which resets the Commission’s statutory deadlines set forth in KRS 278.190(2). Having reviewed the amended tariff application, the Commission accepts the amendment and finds that proceedings are necessary to investigate the reasonableness of the amended proposed tariff provisions. The Commission suspends the operation of the provisions for a period of five months pursuant to KRS 278.190.

IT IS HEREBY ORDERED that:

1. Hardin District’s amended application for approval of tariff provisions related to master metering of mobile home communities is accepted.

2. The proposed tariff provisions set forth in Hardin District's amended application are suspended up to and including July 31, 2010.
