

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PROPOSED ADJUSTMENT OF WHOLESALE)	CASE NO.
WATER SERVICE RATES OF THE CITY OF)	2009-00428
GREENSBURG)	

O R D E R

On October 9, 2009, the City of Greensburg ("Greensburg") filed a proposed tariff sheet with the Commission to increase rates for wholesale water service. Greensburg proposed that its rate increase become effective on November 9, 2009. The Commission determined that further proceedings were necessary to determine the reasonableness of the proposed rates, and we suspended the implementation of Greensburg's proposed rate through April 8, 2010, pursuant to KRS 278.190.

On March 22, 2010, Greensburg gave notice that it intended to place its proposed rates into effect on April 10, 2010. The notice was made pursuant to KRS 278.190(2).¹ The Commission finds that it is unable to complete its investigation within the suspension period and that Greensburg has complied with the statutory provisions to place the proposed rates into effect.

IT IS THEREFORE ORDERED that:

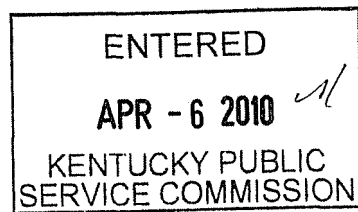

1. Greensburg may place its proposed rates, subject to refund, into effect on April 10, 2010.

¹ In its notice to the Commission, Greensburg erroneously cited to KRS 279.197.

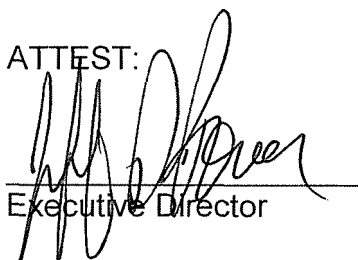

2. Greensburg shall maintain its records in such manner as will allow determination of any amount to be refunded, in the event one is ordered upon final resolution of this matter.

3. Within 15 days of the date of this Order, Greensburg shall file a tariff page reflecting its wholesale water rates that are subject to refund.

By the Commission
