

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PROPOSED ADJUSTMENT OF WHOLESALE)	CASE NO.
WATER SERVICE RATES OF THE CITY OF)	2009-00428
GREENSBURG)	

O R D E R

On June 11, 2010, the Commission set a hearing in this matter for July 1, 2010. On June 24, 2010, and June 25, 2010, respectively, the City of Greensburg ("Greensburg") and Green-Taylor Water District ("Green-Taylor") filed waivers of the hearing. Green-Taylor, however, requested an opportunity to submit information requests to Greensburg on the issue of rate case expense recovery. Greensburg's request to recover rate case expense was not filed before the previous discovery period. Accordingly, we find that a procedural schedule should be established to allow for limited discovery on the issue of rate case expense, and we find that a hearing is unnecessary.

The Commission THEREFORE ORDERS that:

1. The hearing in this matter previously set for July 1, 2010 is cancelled.
2. Green-Taylor may serve a request for information on the issue of rate case expenses to Greensburg, with ten copies to the Commission, no later than July 1, 2010.
3. Greensburg shall respond to Green-Taylor's request for information and shall file ten copies of the response with the Commission no later than July 8, 2010.

4. a. The information requested in the Appendix to this Order is due on or before July 8, 2010. Responses to requests for information shall include the name of the witness responsible for responding to the questions related to the information provided, with copies to all parties of record and ten copies to the Commission.

b. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

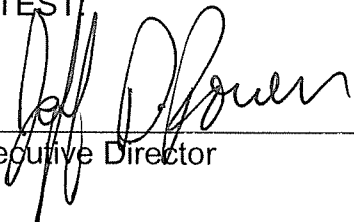

c. Any party shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any request to which a party fails or refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.
