

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF HENRY COUNTY WATER)
DISTRICT NO. 2 FOR APPROVAL OF) CASE NO. 2009-00445
NONRECURRING CHARGES)

O R D E R

On November 16, 2009, Henry County Water District No. 2 ("Henry District") applied for authority to revise certain nonrecurring charges. Henry District proposed an effective date of January 1, 2010. The Commission, by Order, suspended the effective date for a period of five months, up to and including May 31, 2010. Commission Staff issued a request for information on December 15, 2009, and Henry District responded on December 23, 2009. At that time, Henry District revised the proposed Meter Tap-On Fee for its 5/8-inch meter and clarified the proposed Connection Fee/Transfer Fee. The Commission, having reviewed the record and being sufficiently advised, finds that:

1. The proposed charges, as stated in the revised information filed on December 23, 2009, are equal to the expenses incurred to provide the associated services.

2. The charges set forth in the Appendix to this Order are fair, just, and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The charges in the Appendix are approved for services rendered on and after the date of this Order.

2. Within 20 days of the date of this Order, Henry District shall file with the Commission a revised tariff showing the charges approved herein.

By the Commission
