

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED GAS ADJUSTMENT FILING OF) CASE NO.
JOHNSON COUNTY GAS COMPANY) 2010-00010

O R D E R

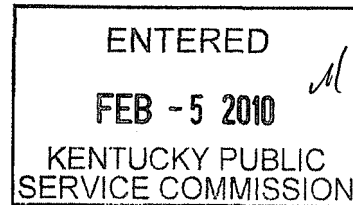

On January 7, 2010, Johnson County Gas Company (“Johnson County”) submitted an application to adjust its Gas Cost Adjustment (“GCA”) rate. Johnson County requested that the Commission waive the 30-day notification period and allow the new rate to become effective on January 4, 2010.

On January 15, 2010, Commission Staff issued a staff data request to Johnson County, pursuant to 807 KAR 5:001, to obtain additional information concerning Johnson County’s suppliers, its suppliers’ rates, and its actual adjustment calculation. As of the date of this Order, Johnson County has not filed the requested information. The Commission has reviewed the record and finds that the information requested is necessary to determine the reasonableness of the proposed rate and that a waiver of the 30-day notification period should be denied. We also find that the investigation cannot be completed prior to 30 days from the filing date. Based on the January 7, 2010 filing date, the earliest possible effective date would be February 6, 2010. Therefore, the Commission will suspend the effective date of the proposed rates for five months.

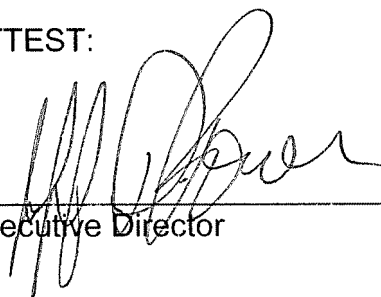

IT IS THEREFORE ORDERED that:

1. Johnson County's proposed rates are suspended for five months, from February 6, 2010 up to and including July 5, 2010.
2. Nothing shall prevent the Commission from issuing an Order prior to the end of the suspension period.
3. No later than seven days from the date of this Order, Johnson County shall file responses to the Initial Data Request of Commission Staff issued January 15, 2010.

By the Commission
