

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF BOONE COUNTY WATER )  
DISTRICT FOR APPROVAL OF AN INCREASE ) CASE NO. 2010-00019  
IN CERTAIN NONRECURRING CHARGES )

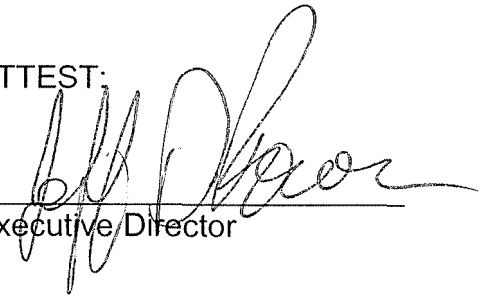

ORDER

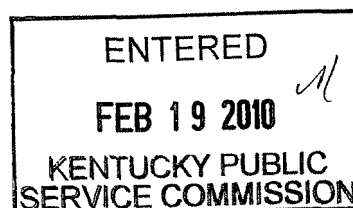

On January 20, 2010, Boone County Water District ("Boone District") submitted an application to increase certain nonrecurring rates, specifically, the tapping fees for 3/4-inch meters and 1-inch meters. Boone District submitted its application pursuant to the authority of 807 KAR 5:011, Section 10, and proposed that its new rates become effective February 22, 2010. The Commission, having reviewed Boone District's application and being otherwise sufficiently advised, finds that, to fully consider Boone District's proposed rate increase, it will be unable to render its final decision in this matter by February 22, 2010 and the proposed rate increase should be suspended for five months, up to and including July 21, 2010.

IT IS THEREFORE ORDERED that Boone District's proposed increase in its tapping fees for 3/4-inch and 1-inch meters is suspended for five months from the proposed effective date of February 22, 2010, up to and including July 21, 2010.
