resolution of the issues in those cases will have a significant impact on the parties' ongoing discussions of the issues raised in the complaints and counter-complaints before the Commission.²

The parties anticipate that hearings in the four states will commence in October 2010.³ The parties propose to submit a status report to the Commission on November 1, 2010. The parties also state that the record developed in the four states will be applicable in the five states in which the cases are in abeyance, thus helping to expedite the proceedings in those states.

The Commission finds that the parties have provided sufficient grounds to support their Joint Motion. The Commission encourages parties to resolve as many issues ex ante as it can prior to proceeding to a hearing before the Commission, and it appears likely that holding this case in abeyance will accomplish that goal. Accordingly, the Commission will grant the parties' Joint Motion.

IT IS THEREFORE ORDERED that:

1. Case Nos. 2010-00023, 2010-00025, 2010-00026, and 2010-00029 are hereby held in abeyance pending further motion of the parties.
2. On or before November 1, 2010, the parties shall submit a joint status report to the Commission detailing the progress of the cases in the four states in which the cases are proceeding.
