

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF KENTUCKY-AMERICAN	)	
WATER COMPANY FOR AN ADJUSTMENT OF	)	CASE NO. 2010-00036
RATES SUPPORTED BY A FULLY	)	
FORECASTED TEST YEAR	)	

ORDER

This matter arises upon the motion of Community Action Council for Lexington-Fayette, Bourbon, Harrison and Nicholas Counties, Inc. ("CAC") for full intervention. It appears to the Commission that such intervention is likely to present issues and develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. The Commission also recognizes that a procedural schedule was established in this proceeding by Order dated March 17, 2010. The Commission, being otherwise sufficiently advised, finds that CAC should be granted full rights of a party in this proceeding and should accept the procedural schedule as it now stands.

IT IS HEREBY ORDERED that:

1. The motion of CAC to intervene is granted, and CAC shall accept the existing procedural schedule.
2. CAC shall be entitled to the full rights of a party and, pursuant to the provisions of the Commission's Order of February 16, 2010, shall be served with

electronic notice of the issuance of all Commission's Orders issued after the date of this Order and of all documents filed by any party to this proceeding.

3. CAC shall comply with all provisions of the Commission's Order of February 16, 2010 related to the electronic filing of documents.

4. Within five days of entry of this Order, CAC shall:

a. Notify the Commission and all other parties of record in writing of the electronic mail address to which all electronic notices and messages related to this proceeding should be served.

b. File a written statement as to whether it, or its agent, is capable of receiving electronic transmissions, and whether it waives its right to service of Commission Orders by United States mail in return for electronic notification of the issuance of such Orders.

By the Commission
