COMMISSION STAFF'S FIRST INFORMATION REQUEST
TO JACKSON ENERGY COOPERATIVE

Pursuant to 807 KAR 5:001, Jackson Energy Cooperative ("Jackson Energy") is to file with the Commission the original and ten copies of the following information, with a copy to all parties of record. The information requested herein is due on or before July 29, 2010. Responses to requests for information shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Jackson Energy shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which

Jackson Energy fails or refuses to furnish all or part of the requested information, Jackson Energy shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations.

1. Provide the workpapers, spreadsheets, etc. which show the calculation of the increase, by individual wholesale rate schedule, in Jackson Energy's cost of power from East Kentucky Power Cooperative, Inc. that Jackson Energy is proposing to flow through to its customers. Provide the information in hard copy as well as electronic format with the formulas intact and unprotected. Include a brief narrative description of the data being provided.

2. Refer to Exhibit 3 of the application.

- a. Provide this exhibit in electronic format with the formulas intact and unprotected.

- b. The billing analysis shows various rate schedules with escalation percentages applied to the billing determinants. Provide workpapers, spreadsheets, etc. for the calculation of the percentages, as well as a narrative explanation of how the percentages were determined.

3. Refer to Exhibit 3 of the application, pages 2-5 of 6. The billing determinants prior to escalation are not provided. Provide the actual billing determinants for each rate class.

4. Refer to Exhibit 3 of the application at page 2 of 6. For Rate 11, Residential Service – Off-Peak Marketing Rate, the energy charge is shown as \$.06350. This rate is shown as \$.06351 in the proposed tariff at Exhibit 1 and in the notice at Exhibit 2. State which rate is proposed for Rate 11.
