O R D E R

On September 28, 2010, South Kentucky Rural Electric Cooperative Corporation ("South Kentucky") filed a motion requesting an extension of time through October 4, 2010 to file its Reply to Commission Staff's Second Information Request. In support of its motion, South Kentucky states that "[i]nformation has been gathered but certain disclosures from third parties need to be reviewed for accuracy before [being] submitted to the Commission and in the limited ten (10) day period set forth in the September 15, 2010 request, sufficient time has not been available."

Based on the motion and being otherwise sufficiently advised, the Commission finds good cause to grant the requested extension of time.

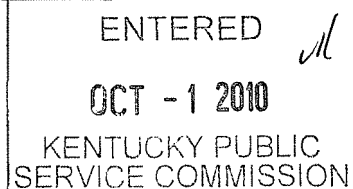

IT IS THEREFORE ORDERED that South Kentucky's motion is granted and it shall file its Reply to the Complainants' Response on or before October 4, 2010.
