

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN EXAMINATION BY THE PUBLIC SERVICE)	
COMMISSION OF THE ENVIRONMENTAL)	CASE NO.
SURCHARGE MECHANISM OF KENTUCKY)	2010-00318
POWER COMPANY FOR THE SIX-MONTH)	
BILLING PERIOD ENDING JUNE 30, 2010)	

O R D E R

This matter arises upon the motion of Kentucky Power Company ("Kentucky Power") for an extension of time to and including October 7, 2010 to file its direct testimony in this proceeding and an extension of time to and including September 30, 2010 to file its responses to the Commission Staff's information requests. The Commission's September 7, 2010 Order initiated this matter and established a procedural schedule, which, *inter alia*, required Kentucky Power to file its direct testimony and respond to Commission Staff's information requests by September 23, 2010.

In support of its motion, Kentucky Power states that the persons who formerly prepared the environmental surcharge filings under review have retired from Kentucky Power and that additional time is needed by their replacements to become familiar with the surcharge filings and to review previously filed testimony.

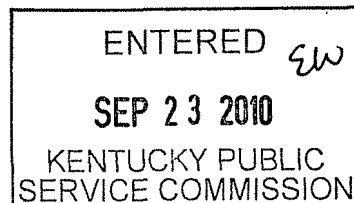

Having reviewed the motion and being otherwise sufficiently advised, the Commission finds that Kentucky Power has established good cause to amend the

current procedural schedule to allow for an extension of time for Kentucky Power to file its testimony and responses to Commission Staff's data requests.

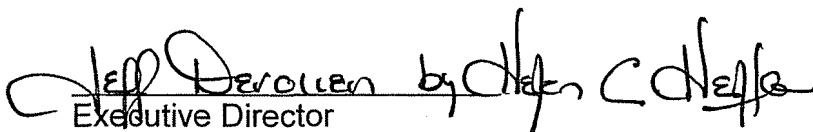

IT IS HEREBY ORDERED that:

1. Kentucky Power's motion for an extension of time to file its direct testimony and responses to Commission Staff's data requests is granted.
2. Kentucky Power shall file its responses to the Commission Staff's data requests by September 30, 2010.
3. Kentucky Power shall file its prepared direct testimony in this proceeding no later than October 7, 2010.

By the Commission
