CASE NO. 2010-00029

O R D E R

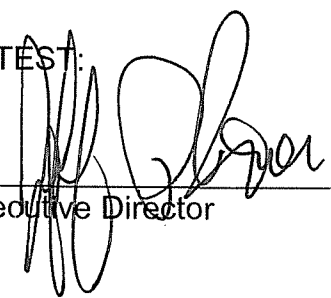

On December 14, 2010, the Commission issued an Order directing the parties in the above-captioned cases to file with the Commission before March 1, 2011 a joint status detailing the progress of similar cases in other jurisdictions. The parties timely filed said status report, which stated that the litigation in other jurisdictions was proceeding and that the above-captioned cases should remain in abeyance. Based upon the information contained in the March 1, 2011 filing, the Commission does not believe that the cases need to be removed from abeyance at this time, but does wish to be kept informed of developments in other jurisdictions.

IT IS THEREFORE ORDERED that the parties shall file with the Commission, no later than August 1, 2011 and every 90 days thereafter, a joint status report detailing the progress of litigation in other jurisdictions and state whether or not the cases should remain in abeyance.

By the Commission
