COMMISSION STAFF'S REQUEST FOR INFORMATION
TO APPALACHIAN WASTE CONTROL, INC.

Pursuant to 807 KAR 5:001, Appalachian Waste Control, Inc. ("Appalachian Waste") shall file with the Commission no later than March 30, 2012 the original and 10 copies of the following information, with a copy to all parties of record. Responses to requests for information shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Appalachian Waste shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Appalachian Waste fails or refuses to furnish all or part of the requested information, Appalachian Waste shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied material to ensure that its legibility. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request.

1. Provide all correspondence between Appalachian Waste and Thelma Waste Control, Inc. ("Thelma Waste") regarding Appalachian Waste's request for service.
2. Provide all correspondence between Appalachian Waste and the Kentucky Division of Water regarding the availability of funding to extend service from Thelma Waste's facilities to the customers whom Appalachian Waste presently serves.
3. Identify the officials of the Kentucky Division of Water or Kentucky Energy and Environment Cabinet who have represented that funds are available to finance the proposed extension.
4. Identify the route that the proposed extension would follow.
5. State the estimated cost of any proposed extension.
6. Describe how the cost of the proposed extension will be financed.

7. State whether Appalachian Waste's proposal requires Thelma Waste to expend any funds for or bear any costs of the proposed extension.

8. State the length of the proposed extension of service and describe the facilities that must be constructed to effect the proposed extension.

9. Describe the financial resources available to Appalachian Waste to fund the proposed extension.

10. Describe the consequences on service to Appalachian Waste's customers if the request for extension of service is not granted.
