BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

FILING OF JACKSON ENERGY COOPERATIVE)	CASE NO.
CORPORATION TO REVISE ITS SAMPLE)	2012-00177
METER TESTING PLAN)	

COMMISSION STAFF'S FIRST REQUEST FOR INFORMATION TO
JACKSON ENERGY COOPERATIVE

Jackson Energy Cooperative ("Jackson"), pursuant to 807 KAR 5:001, is to file with the Commission the original and eight copies of the following information, with a copy to all parties of record. The information requested herein is due no later than ten days from the date of issuance of this request. Responses to requests for information shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Jackson shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which

Jackson fails or refuses to furnish all or part of the requested information, it shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request.

1. Describe the proposed changes to the Original Sample Meter Testing Plan mandated by the Revised Sample Meter Testing Plan.

2. Explain the purpose(s) and benefit(s) to be achieved by revising the Original Sample Meter Testing Plan.
