Pursuant to KRS 278.180 and 807 KAR 5:006, Section 8, Warren County Water District ("Warren District") has filed with the Commission notice of a proposed revision to its tariff to require prospective customers located within an area delineated as the "Rockfield School Sewer Capital Recovery Area" to pay a contribution toward the cost of a sewer main extension that will serve that area. Warren District proposes to require payment of the proposed contribution at the time a customer applies for sewer service as a condition for providing sewer service.
